

March 5 & 6-cabaret theatre piece presented at Somers Hall by Bette MacDonald and Doris Mason "I Hate You Beulah Claxton"

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. The left edge of the page is bound, and the overall tone is a warm, off-white or light cream.
