TEACH-IN ON POVERTY

October 15-18, 1999

Educators, community workers, religious leaders
are being called to spend part of this time
looking at the new face(s) of poverty, the links
between local, national and global poverty and
the actions that be taken to eradicate poverty.
To become an endorser of the project, to make a
donation to the project and/or to receive
teaching materials please contact ACEJ at 863-
6965.

**“Poverty needs to be seen as a
problem of the rich, not the
poor.”**
