

Life Literacy Project

Life Literacy Project

The Antigonish Women's Resource Centre is conducting a literacy project. The Centre is currently looking for **women between the ages of 16 and 24** living in Antigonish Town or County who have been out of school for one year or more and are facing challenges that prevent them from developing their education, employment and life goals.

This literacy project will give women a chance to tell their stories and contribute ideas for future literacy programs. The project will run from June to August with flexible meeting times. Each woman will receive a small honorarium for her participation in the project.

Please contact Pamela Fry or Flora Murphy for more information at **863-5212**.
